Conference Committee – To help organise Sleep DownUnder 2022

Councils Sub-Committee - This committee meets by zoom approximately every 8 weeks and consists of 1 or 2 representatives from each of the Councils. It is the main conduit for communication between the Councils and the ASA executive, so it's helpful if at least one of the Co-Chairs is on this committee.

Website - Each Council needs someone to work on the Council pages of the ASA website, both members and public pages. There is no need for technical expertise on the web for this position, the person has to decide what information should be put onto the website, and send this to Mischka: communications@sleep.org.au

- 4 Open the floor for any general business.
- 5 Meeting close
