

Are you a sleep physician or a technician?

Do you score, or report vPSG as part of your usual work?

We'd love to hear from you!

We are looking into how sleep physicians and technicians approach detection, diagnosis and reporting of **REM sleep without atonia (RSWA) & REM sleep behaviour disorder (RBD)**.

The study will involve an **online, anonymous** survey...

...and only take **15 minutes** to complete!

Interested?
